

IN THE HOUSE OF REPRESENTATIVES

HOUSE BILL NO. 328

BY WAYS AND MEANS COMMITTEE

AN ACT

RELATING TO SCHOOL BUILDING MAINTENANCE FUNDS; TO PROVIDE FOR
ALTERNATIVE USES OF CERTAIN SCHOOL BUILDING MAINTENANCE FUNDS.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. The provisions of Section 33-1019, Idaho Code, notwithstanding, for the period July 1, 2009, through June 30, 2010, only, an amount of local maintenance match moneys normally required to be allocated for the maintenance and repair of student-occupied buildings may be spent on other one-time, nonpersonnel costs, at the discretion of the school district. Said amount shall be determined by the State Department of Education as follows:

(a) Subtract from the local maintenance match requirement all plant facility levy funds levied for tax year 2009.

(b) Subtract from the balance of any funds remaining after the subtraction provided for in subsection (a) of this section, any additional funds necessary to fully remediate all recommendations and code violations identified in the most recent inspection of each student-occupied building conducted by the Division of Building Safety, excluding any recommendations for which the least expensive remediation solution is the replacement of the building.

(c) Divide the balance of any funds remaining after the calculation provided for in subsection (b) of this section, by two (2).

School districts shall furnish information pursuant to the provisions of this section, as may be required by the State Department of Education.
